On December 2, the non-governmental organizations and religious associations addressed the Georgian parliament with a Petition requesting to study the recent cases of religious violence and intolerance. The signatory organizations address the Parliament with a request to ensure parliamentary control over the government's policy and take adequate and timely reaction on recent cases of violation of freedom of religion (including the cases of religious violence and intolerance revealed in Kobuleti, Terjola, Mokhe) for the purpose of preventing violence triggered by religious hatred and to revise the ineffective policy of Georgia's government in that regard.

HATE SPEECH

ASAVAL DASAVALI, 1-7 DECEMBER

LALI ANTIA, former prisoner: “We should act exactly as [David] Bakradze hailed during the war; we should come out with our hoes, spades, spoons and forks, we should beat them up [representatives of *National Movement*] until they are crippled!.. This Gogorishvili, the walking corps, because of her the fish is extinct in the Holy river of Jordan!”

KVIRIS QRONIKA, 1-7 DECEMBER

OTAR KOBERIDZE, Actor: ”I have said it before, about those who go to Russia and kneel in front of them, who speak to them softly and sing for them...they all have to be hanged. Newspapers severely criticized me for that statement...but yes, one should beat them with a stick, pull their pants down and then beat them on their backs, so that they are unable to sit for a while.”

TURKOPHOBIA

VALERI GEL-BAKHIANI, former member of the parliament: “This is an extremely dangerous process ... By all means; we have to take security measures about this issue. Whole Batumi population has turned into Turks starting from 2004 to 2010. When 150 000 people enters the country it is called an expansion.”

OBIEKTIVI, 1 DECEMBER

VALERI GELBAKHIANI, former member of the parliament: “I was being stopped by people in the streets, pleading for help, saying that Batumi has turned into a Turkish city... This is an extremely dangerous process ...By all means; we have to take security measures about this issue. Whole Batumi population has turned into Turks starting from 2004 to 2010. When 150 000 people enters the country it is called an expansion.”

ELIZBAR JAVELIDZE, People's Assembly: “Adjara is predestined. When 150 000 Turks come out on the streets, it will be uncontrollable. Then you will have to stand against the Turkish army. They will simply enter the country to establish order here...What stops them now is the *Kars Agreement*.”

VALIERIAN GELBAKHIANI, former member of the parliament: “The *Kars Agree-*

ment expired in 2018... we will not need any *Kars Agreement* by that time, since it will already be Turkey here.”

OBIEKTIVI, Night Studio, 1 DECEMBER

MAMUKA GIORGADZE, People's Party: “Speaking of construction of the new mosque in Batumi, we have to consider one detail which is inspired by Turkey and it is extremely humiliating, I am sure each of us feels terrible about this. The reason of constructing the new Mosque in Batumi is that the Turkish population who has arrived in Batumi would not wish to pray together with local Georgian Muslims, not that they don't have place to pray, they feel themselves superior to pray with locals and they try to distance themselves.”

RELIGIOUS DESCRIIMINATION

OBIEKTIVI, NIGHT STUDIO, 3 DECEMBER

DAVIT TEVDORADZE, writer: "They [Muslims] are involved in other obscure affairs, what they call their business. The problem is not necessarily the lack of space in the mosques, as they demand.... there are several villages nearby Batumi with 15 mosques there. If they are true Muslims, why don't they go and pray there. nobody would object that?! But we have to fight against this; most importantly the government with law enforcement authorities should not allow any foreign capital."

UNFOUNDED ATTRIBUTION OF SEXUAL IDENTITY

ASAVAL –DASAVALI, 1-7 DECEMBER

DITO CHUBINIDZE, journalist: “I can imagine the reaction of Davit Sakvarelidze the heart-breaker of all the women, if he had read the facebook status of transgender Giorgi Chkhartishvili, same as “Matsatso” addressing to his grandson – Davit Sakvarelidze Junior, who is the corporal of Saakashvili’s Nazi sect. Today the face of Europe is not Volter or Theodor Dreiser anymore, today their brand is Konchita!.. For me the real Europeans are those Frenchmen, for whom gay parade is unacceptable!

Arrogant *liberast* Georgians have assumed that the way towards Europe goes through anus, this is the “value” that they try to propagate!..

By the way, this absurd phrase that used to sound like this: “I am Georgian, and therefore I am European”; in today’s reality it has transformed this way: “I am a pederast, and therefore I am European!”.

The formation of “Islam State” is in progress at the near east, the creators openly state that their aim is to save the world from immoral and pederast Europe!”...

” It has been 20 years, since it is under the influence one power as a puppet. As a result of this we have lost territories, people below poverty and moral degradation of the society... ”

PETITION

Continued from p. 1

As it is noted in the petition, the government is not responding adequately to the manifestations of religious extremism and it does not ensure the prevention of violation coming from individuals as well as effective investigation. According to the document, in most cases government makes discriminatory decisions, as current practice demonstrates that the state usually refrains from the use of legal and repressive mechanisms in those cases when the representatives of Orthodox congregation are committing religious violence or persecution, however, in opposition to that, its methods are repressive towards religious minorities, which were revealed during the police operation in the villages of Chela and Mokhe. Petition indicates on violation of the principle of institutional independence of the investigation as investigation of these aforementioned cases are conducted by the Ministry of Internal Affairs, despite of substantiated appeals and complaints by the victims, rather than the Prosecutor's Office.

The signatory organizations critically assess the policy implemented by the State Agency on Religious Affairs and say that its intervention has not led to any tangible results in terms of solving existing problems.

Signatory organizations address the Parliament to review this petition under the Rules of Procedure of the Parliament and ensure its public dis-

cussion and ensure parliamentary control over the activities of executive branch, including the Ministry of Internal Affairs, the Prosecutor's Office, the State Agency on Religious Affairs and of relevant local municipalities.
