All of them are cosmopolitans, globalists and they detest Orthodoxy. Moreover, they have some physical and psychological inclinations. Pederasts and the pedophiles are among them.

Also the politicians with speech disorder, prognathous chin, eyes moving side to sides and sadists. Neither the politicians with sexual perversion, megalomania and persecution mania is new for the *Nats* Politicians.”

<http://bit.ly/1A5DgPm>

GEWORLD.GE, 14 NOVEMBER

TENGIZ KUBLASHVILI, former member of the Supreme Court: “Can Muslim northern Caucasians bring us back Abkhazia or Shida Kartli? Or maybe the Arabian world, Wahhabis and some other religious groups can save us? Do you really think that the Turkey, our historical “Friend” can lend us a helping hand?

If Russia weakens or breaks down, Georgia will become an arena for Muslim raids; if someone does not accept Islam or does not betray his nationality will be killed, or will be sold (Beautiful girls and women have better chances for survival, they might as well become first wives of some influential terrorists.”

XENOPHOBIA

GEWORLD.GE, 14 NOVEMBER

GIORGIO SICHINAVA, writer: “Why did we leave Saingilo to Azerbaijan? why are we so silent about Armenian aggression?..

Armenians have started to search for their “lost territories” in Georgia. Once again, they raised

the issue of “existence” of 365 Armenian churches, as if they were “taken away” by us.

They want to repossess them along with surrounding land. This amount of churches together with their lands can cover half of Georgia. Unlike those Dashnaks, Armenian Church has decided to appropriate Georgian lands with a new “peaceful” method.”

ANTIWESTERN SENTIMENTS

KVIRIS QRONIKA,
10-16 NOVEMBER

NINO BURJANADZE, Democratic Movement-United Georgia: “If you are the slave of the West, go ahead and protect the rights of your people, but if you are not the slave of the West and you discuss the interests of your Government, with pro-Russian stigma imposed, does it necessarily mean that you should go to prison to rot, or must be killed? Is not this a problematic issue?... I think those statements in support of National Movement is already too much to bear.”

ASAVAL-DASAVALI,
10-16 NOVEMBER

GIA BURJANADZE, Burjanadze – United Democrats: “I think Americans have started a big game, they have involved other pro-American powers and their aim it to create some kind of disaster in Georgia.”

MAESTRO, MAESTORS 9’O-CLOCK NEWS, 11 NOVEMBER

KAKHA KUKAVA, Free Georgia: “In Soviet times, if you wanted to become the First Central Committee Secretary, you should have paid a visit to Kremlin should have informed them that current First Secretary is not being

loyal. Same as today... why do Bidzina Ivanishvili and Misha Saakashvili pay twenty and forty millions for American lobbyists? What matters is to convince Washington, nobody cares for Kukava, Jijilashvili or the voters ...”

REPORTIORI, 14 NOVEMBER

BASIL MKALAVISVHILI, priest:

“Saakashvili planned to attack the church in Shavnabada Residence... they [Vano Merabisvhili, Zurab Adeishvili, Bokeria and Akhalaias] were instructed to raid our church so brutally, that whole world could have seen it. In the evening Saakashvili, George Soros and some other gay Congressmen (By the way they got married later) were observing this barbarian raid of the church and my imprisonment from one of the American restaurants.”

BASIL MKALAVISVHILI, priest: “Our country is governed from America, with the help of the ambassador Norrland. We can do without him. The part of American evil plan is to turn our youth into zombies.

ANTIWESTERN SENTIMENTS

For this reason, they are taking the students who graduate with honor to America for free. They transform them there, then they come back to Georgia, they form some kind of NGOs that will support the US policy. This is how “Liberty Institute” was formed and the same is happening now. They are against the Orthodoxy; this is the part of world Mason dream – to eliminate the Orthodoxy.”

**GEWORLD.GE,
13 NOVEMBER**

**TAMAZ JAPHOSHVILI,
The chairmen of I. Stalin
Foundation; Givi Berdzenishvili, Engineer, Academics
and writer:** “Europe is left without any religion, to be more precise there is a great ideological fight against the God. Marrying two men in the church - same-sex marriage is such a debauchery, that even in Sodom and Gomorrah could not have happened“... the Antichrist globalists covertly fight against Jesus, but openly fight against Stalin, who was the most Christian leader of all times, as if he was a tyrant and did not know why he was killing people...”

Western civilization has destroyed their culture; it has turned against their soul and the God. Mamonism, Sodomism, clearly they are lost.”

**KVIRIS QRONIKA,
10-16 NOVEMBER**

**DEMUR GIORKHELIDZE,
Expert:** “I can assure you that the ambassadors from the West have made number of mistakes, everyone knows what is the attitude of Georgian people towards them... For whatever reason, everyone wants to come to Georgia and teach a lesson to our government. When there is an investigation in progress they always try to influence it.”

**ASAVAL-DASAVALI,
10-16 NOVEMBER**

**NANA DEVDARIANI,
Global Research Center:** “King Erekle II knew perfectly well what was going on in the West, and we are supposed to “go back” there?..

More than million people went out on the streets not to allow gay couples to adopt children. The real manly man Allen Delon was supporting the demonstration! Do we want this kind of Europe? No we don't want that kind of

Europe that was portrayed by the previous government!”

**GEWORLD.GE,
12 NOVEMBER**

JABA JVANIA, Author:

“On June 27, the government of “Kots's”[Georgian Dream] finalized historical bluff, they have signed the Association Agreement with European Union. Georgia got itself into a big trouble with this step. To be brief, west oriented liberals have fulfilled their sacred mission, they have torn the country away from its historic roots and have transferred it to the virtual “Euro-rule.”

Yes, Saakashvili and his criminal companions have a green light to create a bloodshed. They know that some Norlands and Bildts will always endorse their actions..."

SAKINFORMI, 14 NOVEMBER

SAKINFORMI: "Anti Christ means the replacement of the Christ. Everything from Christ is being replaced by Antichrist. "Black" should turn into "white", "evil to "kindness", "women to men" and vice versa! If we pay close attention to it, we will see that in all the countries, where people speak about Christianity, nobody ever mentions the Orthodoxy. This makes me think that all this processes are meant to "tighten the loop" around the Orthodoxy, that is the cornerstone of the religion (Earlier all the people had just "One Christianity").

P.S. George Soros is coming to Georgia tomorrow...

SAKINFORMI, 10 NOVEMBER

ARNO KHIDIRBEGISHVILI, saqinformi: "USA has activated the combined version of the Government turnover: According to the plan "Naz Movement" was supposed to start "Maidan" at 16:00 on November 15,

towards the evening, it was planned to turn into an Arab spring!"

<http://bit.ly/1zmtXKx>

SAKINFORMI, 14 NOVEMBER

"First divide, than destroy. They have completely redesigned the Orthodox country Greece, the way they had imagined it. Therefore, they have started to "tighten their loop" around Russia. They have granted the territories of Samachablo and so called "Upper Abkhazia" to Russia, they have freed territories for NATO, where so called "military training bases" should be deployed, as stated by Alasania. With this loop, they are trying to surround Russia. Moreover all the natural resources will end up in the hands of USA."

GEWORLD.GE, 14 NOVEMBER

TENGIZ KUBLASHVILI, Member of

Supreme Council: "Those countries that have chosen their way towards Europe and esteem to Integrate in NATO, have lost their territories, they have debts up to billions, their economy is destroyed and the massive migration of the population due to the unemployment have reached its catastrophic limits."

ANTIWESTERN SENTIMENTS

GE WORLD.GE, 14 NOVEMBER

GIORGI SICHINAVA, writer: “Why do “our friends” Europe and USA are planting the immorality in our society? Why are they fighting against our traditions and Orthodoxy? Those are the pillars of our national individuality.

They could not resist the real Christianity in the West, they could not cope with the passions of this world and they have adjusted their religion to their lives that results into harming their body and soul. Are we also going on this way?

We will not support their propaganda that was masked with the “Protection of Sexual Minority Rights.”

**ASAVAL-DASAVALI,
10-16 NOVEMBER**

Title: “NATO brought happiness to lesbian and gay soldiers!”

GIORGI GIGAURI, Journalist: “Sooner or later “LGBT people” may demand to serve in the Georgian army,

since Georgia is heading to NATO integration, gays will also want to put on fancy dresses and lesbians will put on trousers in our army!

Imagine what will happen, if the government of Gharibashvili does not allow anyone like LGBT Vacharadze to put on khaki dresses. What will be the reaction of other “Liberasts” and the rest of similar organs.”

SAKINFORMI, 13 NOVEMBER

SAKINFORMI: “The photos display the people of unidentified sexual orientation. Those Valkyries from NATO should be the men dressed in woman’s clothes. This is how debauchery is being popularized; this is how they assure the society that these kinds of decisions are adequate.”

UNJUSTIFIED INDICATION OF SEXUAL IDENTITY

ASAVAL-DASAVALI, NOVEMBER 10-16

MEDIA COVERAGE OF THE CRIMINAL ACT RELATED TO TRANSGENDER

IMEDI, IMEDIS KVIRA,
16 NOVEMBER

The program “Imedis Kvira” prepared a story about the murder of transgender Sabi. According to the official version of the investigation, the motive of the murder was unpaid debt. The story covering criminal case depicted earlier video footage about the sexual orientation of the murdered groundlessly. Following unrelated quote was included: “I have internal battle it was very difficult, I overcame my fear, I do like men.” This video was followed by the shots from the trial of the accused. This may create an inadequate impression about the motives of the murder.

KVIRIS PALITRA.GE,

The Journalist from newspaper “Kviris Palitra” posed a discriminative question to the neighbor of the murdered. The title emphasized the sexual orientation of the victim.

TITLE: "Murder on Pekini Street. – “He always used to walk around in women’s clothes; we have never ever seen him in trousers”.
